

JUNE 2024

THE NEW ENGLAND GRAZING NETWORK

GATHERING AND GROWING REGENERATIVE
GRAZERS ACROSS THE REGION

CELEBRATING OUR FIRST LUMINARY TOUR WITH CHRISTINE JONES

That's a wrap on our first-ever Summer Luminary Tour with Dr. Christine Jones! Over the course of four full-day workshops across three states, we were thrilled to engage with more than 150 attendees. A big thank you to our farm hosts in Vermont, Maine, and New York, and to the dedicated team of NEGN partners who worked tirelessly behind the scenes to coordinate Christine's travel between locations. We are deeply grateful to Christine for sharing her time and wisdom, and to our community for the enriching conversations we had.

If you have recommendations for our 2025 series or are interested in hosting an event in your state, please send your suggestions our way [here](#).
